NOTICE

Santaquin City has completed the application requirements for renewal of the solid waste permit for its municipal Class IV landfill at the existing landfill site approximately one-half mile west of Santaquin, between Highway 6 and 200 North. The permit renewal application has been reviewed by the Division of Solid and Hazardous Waste and a draft permit has been issued. Class IV landfills are noncommercial landfills that are permitted to receive only construction/demolition waste, yard waste, inert waste, dead animals, and under certain condition waste tires. The public comment period on the draft permit begins August 20 and will end September 18, 2003.

Copies of the application documents and the draft permit are available for public review during the comment period during normal business hours at the following location:

Division of Solid and Hazardous Waste
Utah Department of Environmental Quality
288 North 1460 West, 4th Floor
Salt Lake City, Utah

Copies of the draft permit also are available at the Utah County Health Department at 589 South State Street in Provo. They also can be viewed on the Internet at <http://www.hazardouswaste.utah.gov/hpc-1.htm>.

Written comments will be accepted if received by 5:00 PM on September 18, 2003 and should be submitted to:

Dennis R. Downs, Executive Director
Utah Solid and Hazardous Waste Control Board
Department of Environmental Quality
P.O. Box 144880
Salt Lake City, Utah 84114-4880

Comments can also be sent by electronic mail to: swpublic@utah.gov. Comments sent in electronic format should be identified by putting the following in the subject line: public comment on Santaquin City Landfill. All documents included in comments should be submitted as ASCII (text) files.

For further information contact Ralph Bohn or Phil Burns of the Division of Solid and Hazardous Waste at (801) 538-6170 or TDD 536-4414.
